

Bill No. 74 of 1953

A BILL TO AMEND THE FUEL OIL LICENSING ACT

NOTE

This Bill amends *The Fuel Oil Licensing Act*, being chapter 311 of the Revised Statutes of Alberta, 1942.

Section 24 is amended. A substituted clause (b) makes the certificate of the chief chemist of the gasoline and oil laboratory of the Research Council of Alberta as to whether a substance is or is not fuel oil, receivable in evidence in a prosecution under this Act or *The Fuel Oil Tax Act*. Heretofore the certificate of the provincial analyst only was so receivable in evidence.

This Bill comes into force upon assent.

J. W. RYAN,
Acting Legislative Counsel.

(This note does not form any part of the Bill but is offered in explanation of its provisions.)
