Motions Other Than Government Motions

521. Moved by Hon. Ms Hoffman (Time remaining: 1 minute, 43 seconds):

Be it resolved that the Legislative Assembly urge the Government to take all necessary steps to

(a) commence a public inquiry, in accordance with section 2 of the Public Inquiries Act, into recent allegations of improper procurement contracts entered into by Alberta Health Services, including with respect to chartered surgical facilities,

(b) appoint at least one commissioner who is a judge of the Court of Appeal, the Court of King's Bench or the Court of Justice in Alberta, and

(c) declare that section 7 of the Public Inquiries Act applies with respect to the public inquiry.

Debate adjourned, Hon. Ms Hoffman speaking.

522. Ms Chapman to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to take the necessary steps to address overcrowded classrooms by hiring additional teaching staff to ensure that all Alberta classrooms meet the recommended class size based on grade level for Kindergarten to Grade 12, as set out in the 2003 Alberta's Commission on Learning Report "Every Child Learns, Every Child Succeeds."

523. Hon. Mr. Schmidt to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to

(a) affirm the fundamental importance of the "polluter pays" principle that the costs of well cleanup and remediation should be borne by the entities responsible for their operation,

(b) ensure that no public funds are allocated to entities for the purpose of cleaning up or remediating liabilities, and

(c) strengthen existing regulations and enforcement mechanisms to protect current and future taxpayers by holding responsible parties that are accountable.

524. Ms Wright to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) recognize that wages for teachers, registered nurses, educational assistants and other public sector workers have not kept pace with the rapid increase in the cost of living over the last four years, and
- (b) urge the Government to consider cost-of-living increases when bargaining with public sector workers for future compensation agreements to ensure that these workers are fairly compensated.

525. Ms Lovely to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) recognize that residents of rural communities and farm owners in Alberta face unique challenges related to crime, including property theft, vandalism and personal safety, and
- (b) urge the Government of Canada to introduce legislation to provide more legal certainty for individuals who are required to use force to defend themselves, their families and their property.

528. MLA Tejada to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to immediately engage with the Government of Canada to consider the following:

- (a) providing additional funding to address the increased cost of delivering the following public services as a result of Alberta's growing population:
 - (i) health care,
 - (ii) Early Childhood Services (ECS) until Grade 12,
 - (iii) post-secondary education,
 - (iv) emergency services, and
 - (v) newcomer support services;
- (b) entering into a federal-Alberta partnership to streamline the coordination of settlement and integration services for newcomers.

529. Hon. MLA Ceci to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to consider taking the necessary steps to ensure that arts education and arts-based learning opportunities, including music, theatre, and art lessons, are accessible to Alberta families through school and community-based opportunities by eliminating financial barriers to participation in arts programming, including ensuring that the funding parameters of the Every Kid Can Play Program grant explicitly includes art-related activities.

530. MLA Hoyle to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) acknowledge the importance of access to a nearby hospital for the residents of south Edmonton, and
- (b) urge the Government to consider taking the necessary steps to build a new hospital in south Edmonton.

535. Mr. Wiebe to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) recognize that the Public Sector Compensation Transparency Act serves as an important tool in ensuring transparency in government spending and public sector compensation and fosters trust among government entities and the communities they serve, and
- (b) urge the Government to introduce a Bill to amend the Public Sector Compensation Transparency Act to require municipal authorities to disclose their employees' compensation in accordance with the thresholds for optional disclosure currently set out in the Act in respect of those employees.

540. Mr. Rowsell to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government of Alberta and the Government of Canada to reassess their utilization of carbon credit programs to incentivize efforts to reduce greenhouse gas emissions in Alberta.
